✦ international@ipsa.fr
✦ 63 Bd de Brandebourg 94200 Ivry sur seine

A MEMORABLE EXPERIENCE IN PARIS

DISCOVER THE FUTURE OF DRONES AT IPSA SUMMER SCHOOL!

Build, configure, and fly your own multi-rotor drone. Master autonomy, control, and sensor-based stabilization. Test, analyze, and showcase your work with confidence. Hands-on learning. Global experience. Your journey starts here!

AGENDA

WEEK 1

INTRODUCTION DRONES

Explore the different types of drones and learn the basics of piloting.

WEEK 2

FROM THEORY TO PRACTICE

Design, build, and fly your own drone then showcase your project!

LEARN, EXPLORE, ENJOY !

Enjoy two unforgettable weeks rich in culture and fun! From a full day exploring the majestic Palace of Versailles to a scenic cruise along the Seine and guided tours through the heart of Paris, our activities promise an experience you'll cherish forever.
