

**IMPORTANT ANNOUNCEMENT**

Students whose minor applications have been accepted will be enrolled in the academic program they listed as their first choice. Students who wish to enroll in a different academic program other than their first listed choice may do so by notifying [student.services@ozu.edu.tr](mailto:student.services@ozu.edu.tr) via their OzU email **before September 12, 2024 Thursday at 12:00 p.m.** provided that their minor application to the respective program has also been accepted.

Students are recommended to take into account their minor program courses while completing their course registration in order to graduate from their minor programs within the maximum period of study.

"\*" Conditional Acceptance: Conditional acceptance is given because of the courses graded with "I" or "U" at the end of the summer term. If these courses are graded as unsuccessful, your registration will be deleted from the program you have been accepted to.
