

There is no personal relationship between the applicants and the evaluation committee members which would affect the final decisions. The decision is made in accordance with the transparency rules of Turkish National Agency (TR NA). This document contains the ranking of students who are applicants for Erasmus+ study mobility. Placed students who submit their commitment forms will be nominated to partner institutions. Partner universities admissions are subject to their discretion. Erasmus+ study mobility grant eligibility will be based on the budget allocated by the TR NA. Students should acknowledge that grants are not guaranteed and they are considered as candidates until the official announcement on grants is made by the TR NA. Erasmus scores have been calculated and evaluated in line with Erasmus+ program rules published by the TR NA.
