Partner Institutions List**

International Exchange Programs Office

Important Notes

- ▶ Partner institutions are subject to change until the online application period. So, we highly recommend checking the partner institution list regularly.
- ▶ All applicants are responsible for reviewing the information provided in these slides and the partner institutions' website.
- ▶ You may see some notes at the bottom provided by the partner institutions.
- ▶ Please make a partner institution selection after researching offered courses.
- ▶ Please also be aware of the visa application process. In recent months, it has been difficult to get a visa application appointment for Schengen countries and the financial obligations might be high.
- ▶ In the table;
 - UG: Undergraduate programs
 - GR: Master/PhD programs
 - Language: Language of the offered courses at the partner
 - Slot: The quota of the partner institution for the relevant academic program(s)

Country Specific Information

Please check the visa application procedures for the countries you plan to apply to. You may find useful information for some countries below.

Country	Information
Netherlands	Visa and residence permit applications are made together before travel. The partner institution makes the application to the Dutch Immigration Office on behalf of the incoming student. Application fee is approximately 300 EUR.
Portugal	The visa application appointment is made at the Embassy in Ankara and it is a must to go to Ankara to apply. Getting an appointment might be more difficult compared to other countries.
Germany	First, you apply for a visa application appointment and wait for the appointment date. During the visa application, a blocked bank account must be opened in a bank in Germany, and the instructions are shared by the visa application center.
Lithuania	To make an appointment, you must register at the Lithuanian Immigration Office (MIGRIS) and upload your documents and only two registration attempts are allowed. When your registration is accepted, you must to go to Ankara to apply for a visa.
France	You need to obtain a student visa through Campus France. Visas for green passports are not issued by the French Consulate, so an ordinary passport is required.
Finland	You can apply for a residence permit while applying for a visa and the application fee is approximately 300 EUR.
Spain	It might be difficult to get a visa application appointment. You may need to apply for a visa by purchasing a premium service.
Poland	Getting a visa application appointment might be difficult.
Czech Republic	All documents must be in Czech or translated into Czech. It takes more than 2 months for the visa application process to be finalized.
