

## 2025-26 Erasmus+ Study Mobility Application Results

There is no personal relationship between the applicants and the evaluation committee members which would affect the final decisions. The decision is made in accordance with the transparency rules of Turkish National Agency (TR NA). This document contains the ranking of students who are applicants for Erasmus+ study mobility. Placed students who submit their commitment forms will be nominated to partner institutions. Partner universities admissions are subject to their discretion. Erasmus+ study mobility grant eligibility will be based on the budget allocated by the TR NA. Students should acknowledge that grants are not guaranteed and they are considered as candidates until the official announcement on grants is made by the TR NA. Erasmus scores have been calculated and evaluated in line with Erasmus+ program rules published by the TR NA.

**You may find the Additional Criteria Number description for the Erasmus Score calculation published by the Turkish National Agency below:**

- (1) Students who have previously participated in the Erasmus+ program at the same study level will have 10 points deducted.
- (2) Students who withdrew from the program in the previous years after submitting the commitment form will have 10 points deducted.
- (3) Students who wish to participate in the program in their countries of citizenship will have 10 points deducted.
- (4) Placed students who did not attend the mandatory orientation sessions before without a valid excuse previously will have 5 points deducted.
- (5) Students with disabilities will be given an extra 10 points.
- (6) Students who are the children of Veterans/Martyrs will be given an extra 15 points.
- (7) Students who themselves or their first-degree relatives receive disaster financial support from AFAD will be given an extra 10 points. Students who apply to both the Study and Traineeship Mobility programs must declare which of their applications they would like the extra 10 points to be applied to. An extra 10 points can only be given to one of the applications chosen by the student in his/her petition.
- (8) An extra 10 points will be given to the students who are under protection, care, and shelter by Act No. 2828 Family Social Services or 5395 Child Protection Law if they submit the necessary documents.
