

INTERNATIONAL WINTER SCHOOL 2020-2021

SUSU VIRTUAL CLASSES (FREE, ONLINE)

November 2nd – January 29th

SUSU VIRTUAL CLASSES

You will learn how to:

- effectively navigate around the Power Point environment;
- edit and format Excel worksheets and manage Excel data sets (filter, consolidate data, sort data, and validate data);
- use Python for data extraction in texts;
- design an image with web-design programs;
- write business letters to your international partners (format, language, culture).

You will find out a lot about:

- Russian language and culture;
- Cambridge International Examinations (IELTS and CAE formats will be explained).
